<i>Preface</i>	I-5
<i>About the authors</i>	I-7

1

BASIC CONCEPTS THAT ONE MUST KNOW

1. What is an assessment year	1
2. What is a previous year	1
3. Who are included in “person”	3
4. Who is regarded as “assessee”	3
5. How to charge tax on income	4
6. What is regarded as “income” under the Income-tax Act	5
7. What is gross total income	9
8. What is total income and how is it computed	9
9. What is agricultural income	11
10. What is difference between exemption and deduction	11
11. What are capital and revenue receipts	11
12. What is capital and revenue expenditure	12
13. How far method of accounting is relevant in computing income	12
14. Tax computation	13

2

RESIDENTIAL STATUS AND ITS EFFECT ON TAX INCIDENCE

17. What is relevance of residential status	20
18. What one must know for deciding residential status	20
19. How to determine residential status of an individual	21
20. How to find out residential status of a Hindu undivided family	27
21. How to determine residential status of firm and association of persons	27
22. How to find out residential status of a company	28
23. How to determine residential status of every other person	28
24. What is the relationship between residential status and incidence of tax	28
25. What is receipt of income	30
26. What is accrual of income	31

	PAGE
27. What is income deemed to accrue or arise in India	31
28. Problems on incidence of tax	32

3

INCOME THAT IS EXEMPT FROM TAX

32. What income is exempted under section 10	35
33. What are special provisions in respect of newly-established undertakings in free trade zone, etc.	41
34. What are special provisions in respect of newly-established hundred per cent export-oriented undertakings	42
35. What are the special provisions in respect of profit from export of artistic hand-made wooden articles	42
36. How to claim exemption in respect of income from property held for charity	42
37. How can a political party claim exemption	43
38. Problems on income exempt from tax	43

4

INCOME UNDER THE HEAD “SALARIES” AND ITS COMPUTATION

39. What do you understand by expression “salary”	45
40. What is basis of charge of salary income	46
41. Different forms of salary - How taxed	47
42. Different allowances - How chargeable to tax	54
43. Perquisite - When taxable/not taxable	58
44. Perquisites - How valued for tax purposes	61
45. What are permissible deductions from salary income	75
46. What is tax treatment of provident fund	75
47. What is the tax treatment of approved superannuation fund	78
48. What is special tax treatment of salary income of non-resident technicians	79
49. What is the extent of exemption available to other foreign citizens in respect of salary income	79
50. Deduction under section 80C - How to find out	79
51. Is salaried employee entitled to relief in respect of salary in arrears, advance, etc.	82
52. A few critical points	83
53. Problems on computation of salary income	84

5

INCOME UNDER THE HEAD “INCOME FROM HOUSE PROPERTY” AND ITS COMPUTATION

66. What is the basis of charge	91
67. When property income is not charged to tax	93
68. What is the basis of computing income from a let out house property	93
69. How to compute taxable income from self-occupied property	97
70. What are special provisions when unrealised rent is realised subsequently	102
71. What is mode of taxation of arrears of rent	103
72. Problems on computation of property income	103

6**INCOME UNDER THE HEAD “PROFITS AND GAINS OF BUSINESS OR PROFESSION” AND ITS COMPUTATION**

77.	What is the basis of charge	110
78.	What are the basic principles for arriving at business income	111
79.	Method of accounting - How far relevant for computing business income	113
80.	What is the scheme of business deductions/allowances	113
81.	What are specific deductions under the Act	114
82.	What are the specific disallowances under the Act	149
83.	What are the deemed profits and how they are charged to tax	163
84.	What are special provisions for computation of business income	163
85.	When maintenance of books of account becomes compulsory	163
86.	When audit of accounts by certain persons is compulsory	164
87.	How to compute income on estimated basis in the case of taxpayers engaged in a business	164
87A.	How to compute income on estimated basis in case of taxpayers engaged in profession	166
88.	How to compute income on estimated basis in the case of taxpayers engaged in the business of plying, leasing or hiring trucks	166
89.	What are permissible methods of valuation of closing stock	167
90.	Problems on computation of income from business/profession	168

7**INCOME UNDER THE HEAD “CAPITAL GAINS” AND ITS COMPUTATION**

92.	What is the basis of charge	178
93.	What is a capital asset	178
94.	What is transfer of capital asset	180
95.	Capital gains - How computed	182
96.	What is full value of consideration	184
97.	How to find out expenditure on transfer	184
98.	What is cost of acquisition	184
99.	What is cost of improvement	184
100.	How to convert cost of acquisition/improvement into indexed cost of acquisition/improvement	185
101.	Capital gain in special cases - How to find out	186
102.	Valuation of capital asset - When can be referred to Valuation Officer	195
103.	Capital gains - When and to what extent exempt from tax	195
104.	How to find out tax on short-term/long-term capital gain	203
105.	Problems on computation of capital gains	211

8**INCOME UNDER THE HEAD “INCOME FROM OTHER SOURCES” AND ITS COMPUTATION**

107.	What is basis of charge	218
108.	Relevance of method of accountancy	220
109.	What is regarded as dividend and how is it charged to tax	220

	PAGE
110. Winnings from lotteries, crossword puzzles, horse races and card games, etc. - How to compute	221
111. What is regarded as interest on securities	222
112. How to find out income from machinery, plant or furniture let on hire	222
113. How to find out income from composite letting out of building, machinery, plant or furniture	222
114. Money/property received without consideration or for inadequate consideration	223
115. Share premium in excess of fair market value	228
116. Advance money received in course of negotiations for transfer of a capital asset - When chargeable to tax	229
117. What deductions are permissible from income from other sources	229
118. What are other provisions	230
119. Problems on computation of income from other sources	230

9

CLUBBING OF INCOME

120. What is clubbing of income	235
121. Transfer of income without transfer of asset - When income therefrom is regarded as that of transferor	235
122. Revocable transfer of assets - When income therefrom is regarded as that of transferor	235
123. When an individual is assessable in respect of remuneration of spouse	236
124. When an individual is assessable in respect of income from assets transferred to spouse	236
125. When an individual is assessable in respect of income from assets transferred to son's wife	237
126. When an individual is assessable in respect of income from assets transferred to a person for the benefit of spouse	237
127. When an individual is assessable in respect of income from assets transferred to a person for the benefit of son's wife	237
128. When an individual is assessable in respect of income of his minor child	238
129. What is tax implication of conversion of self-acquired property into joint family property and subsequent partition	239
130. Other points	239
131. Problems on clubbing of income	240

10

SET OFF AND CARRY FORWARD OF LOSSES

132. What is the mode of set off and carry forward	242
133. Inter-source adjustment - How made	242
134. Inter-head adjustment - How made	243
135. Carry forward of loss - How to set off	245
136. Carry forward and set-off of loss and depreciation - When permissible in the hands of amalgamated and demerged company or co-operative bank	248
137. Problems on set off and carry forward of losses	248

11

PERMISSIBLE DEDUCTIONS FROM GROSS TOTAL INCOME

139. What are the basic rules governing deductions under sections 80C to 80U	253
--	-----

	PAGE
140. Deduction in respect of life insurance premia, deferred annuity, contributions to provident fund, subscription to certain equity shares or debentures, etc.	254
141. Deduction in respect of pension fund - When available	256
142. Deduction in respect of contribution to a National Pension System (NPS)	257
143. Deduction in respect of investment made under any equity savings scheme	259
144. Deduction in respect of medical insurance premia - When and to what extent available	259
145. Deduction in respect of maintenance including medical treatment of a dependent being a person with disability - When and to what extent available	260
146. Deduction in respect of medical treatment, etc. - To what extent available	260
147. Deduction in respect of payment of interest on loan taken for higher education - When and to what extent available	261
147A. Deduction in respect of interest on loan taken for residential house property - When available	261
147B. Deduction in respect of interest on loan taken for certain house property - When available	261
147C. Deduction in respect of interest on loan taken for purchase of electric vehicle - When available	262
148. Deduction in respect of donations to certain funds, charitable institutions, etc. - How arrived at	262
149. Deduction in respect of rent paid - To whom and to what extent available	264
150. Deduction in respect of certain donations for scientific research or rural development - When eligible	265
151. Deduction in respect of contributions given to political parties or electoral trust - To what extent deductible	266
152. Deduction in respect of profits and gains from industrial undertaking or enterprises engaged in infrastructure development, etc. - How to find out	266
153. Deduction in respect of profits and gains by an undertaking or enterprise engaged in development of Special Economic Zone	266
153A. Deduction in respect of eligible start-up	266
154. Deduction in respect of profits and gains from certain industrial undertakings other than infrastructure development undertakings - How to avail	267
154A. Deduction in respect of profits from housing projects	268
155. Deduction in respect of profits and gains of certain undertaking in certain special category of States - How to find out	268
156. Deduction in respect of profits and gains from business of hotel/convention centre in NCR - How to find out	268
157. Deduction in respect of certain undertakings in North-Eastern States - How to determine	268
158. Deduction in respect of business of processing of bio-degradable waste - How to determine	269
159. Deduction in respect of employment of new employees	269
160. Deduction in respect of certain income of Offshore Banking Units and International Financial Services Centre - To what extent available	270
160A. Deduction in respect of inter-corporate investment - To what extent available	270
161. Deduction in respect of income of a co-operative society/producer company - To what extent available under section 80P/80PA	270
162. Deduction in respect of royalty income of authors - To what extent available	271
163. Deduction in respect of royalty on patents - To what extent available	272
164. Deduction in respect of interest on deposits in savings accounts	272
165. Deduction in respect of interest on deposits in case of senior citizens - To what extent available	272
166. Deduction in the case of a person with disability - To what extent available	273
167. Problems on computation of total income	273

12**MEANING OF AGRICULTURAL INCOME AND ITS TAX TREATMENT**

185. What is agricultural income	278
186. What are instances of income held to be agricultural/non-agricultural income	280
187. What is the tax treatment of income which is partially agricultural and partially from business	281
188. What is the scheme of partial integration of non-agricultural income with agricultural income	282

13**INDIVIDUALS - COMPUTATION OF TAXABLE INCOME**

192. What is included in income of an individual	286
193. Taxable income - How computed	286
194. Tax liability - How calculated	287
195. Problems on computation of taxable income	295

14**RETURN OF INCOME**

241. Who has to submit his/its return of income on voluntary basis as a statutory obligation	302
242. When return of loss should be filed	305
243. Can return be filed beyond time	305
244. Can revised return be filed	306
245. What is updated return	306
246. What is a defective or incomplete return	308
247. What is modified return	308
248. What is Permanent Account Number (PAN)	309
249. When and how Aadhaar Number is to be quoted	309
250. What is scheme to facilitate submission of returns through Tax Return Preparers	310
251. Return by whom to be verified	310
252. What is self-assessment	311

15**ADVANCE PAYMENT OF TAX**

265. What is the scheme of advance tax	313
266. When a person becomes liable to pay advance tax	313
267. When advance tax payment becomes due	314
268. How advance tax is computed	315

16**PERSONAL TAX PLANNING**

305. What is tax planning, tax avoidance and tax evasion	316
306. What is tax planning	317
307. What is tax avoidance	317

	PAGE
308. What is tax evasion	317
309. What are broad areas of distinction between tax avoidance and tax evasion	317
310. What are broad areas of distinction between tax planning and tax management	318
311. What is basic framework of income-tax law	318
312. What is relevance of residential status	318
313. What are broad tax planning hints pertaining to residential status	319
314. Problems on tax planning hints	319
315. What is agricultural income and its tax treatment	321
316. What are tax plannings hints with reference to salary income	321
317. Case studies	323
318. What are tax plannings hints with reference to property income	327
319. What are tax plannings hints with reference to capital gains	328

17

e-FILING OF INCOME-TAX RETURN

324. When e-filing of income-tax return is compulsory	331
325. What are different income-tax return forms	331
326. What is e-filing software	333
327. What is e-income-tax return	334
328. What is Form 26AS	334
329. Case studies	334
APPENDIX 1 : TAX RATES	341
APPENDIX 2 : SYLLABUS	350
